June 7, 2017

INVITATION

Dear BITS friends and family,

Since 1953, BIT Sindri has been ushering engineers to the globe. During the last 64 years with the class graduating now, our alumni are spread all over the world and they are doing exceptionally well in whatever field they chose to work. Our accomplishments are acknowledged internationally. To rejoice in:

- alumni glory, share experiences, vision, thought, and affection; and to
- leverage alumni bond toward Alma Mater, and professional and social networking,

we (the Board of Directors of the BITS Association International) announce our

2nd International Meet on 11-12 Nov at Dubai:
